

# 26. CONVOCATION DATES, DEGREES, DIPLOMAS, AND CERTIFICATES

a. Students **must** file an Application for Graduation ([https://www.smu.ca/webfiles/GraduationApplication\\_SMU.pdf](https://www.smu.ca/webfiles/GraduationApplication_SMU.pdf)) from a specific academic program, with the Service Centre by the dates stipulated by the Registrar's Office and as listed in the University Calendar of Events. If during the course of the student's final academic year at the University, a change is made in the Faculty or in the type of program in which the student is enrolled (i.e., from honours to major), it will be necessary for the student to notify the Service Centre of the change to their program.

b. There are three convocations annually, January, May and September/October, with ceremonies held at each. Once all requirements are completed, students must graduate at the next Convocation. Students are permitted to receive two parchments at one Convocation only in the following instances, namely, registered in two Baccalaureate Degrees (see Academic Regulation 24 (<https://smu-ca-public.courseleaf.com/undergraduate/academic-regulations/regulations/second-undergraduate-degree/>)) or a degree and diploma/certificate program.

c. Students are required to obtain the academic regalia appropriate to their academic program at the times, dates and locations indicated on the graduation web site at <https://smu.ca/academics/graduation.html>. Students will not be permitted to convocate if they are not attired appropriately and in the academic regalia designed for their particular academic program at Saint Mary's University. Exceptions to the academic attire may be granted for culturally appropriate reasons.

d. The parchment shows the academic designation (i.e., degree, diploma, or certificate) as well as any academic distinction (as defined in Academic Regulation 28 (<https://smu-ca-public.courseleaf.com/undergraduate/academic-regulations/regulations/distinctions/>)) which has been conferred but not the major, area of concentration, or minor. This, however, is noted in the students' official academic record and hence appears on any transcript issued, whether official or unofficial. The subject of honours is shown on the parchment.
