

ENVIRONMENTAL STUDIES (BEST)

BEST 4599 BES Honours Thesis

6 credit hours

Prerequisite: Honours standing in B.E.S. degree and identification of a faculty member to act as a thesis advisor

The Honours thesis requires an independent research project to be completed under the supervision of a faculty advisor. The advisor will guide the student in the formulation of the research proposal, methodology to be followed, the collection and analysis of data, and in the writing of the thesis.
