

# HEALTH, WELLNESS & SPORT SOC (HWSS)

---

## **HWSS 1800 – 1825 Special Topics in Health, Wellness and Sport in Society**

6 credit hours

Course content varies from year to year.

## **HWSS 1826 – 1849 Special Topics in Health, Wellness and Sport in Society**

3 credit hours

Course content varies from year to year.

## **HWSS 2000 Health, Wellness and Sport in Society: An Introduction**

3 credit hours

**Prerequisite:** Six credit hours from the following list of courses:

ANTH 1202, BCOM 1201, PHIL 1245, POLI 1210, PSYC 1510, SJCS 1211, MGMT 1281, GDST 1000, CRIM 1303 or SOCI 1210

Students are provided with an introduction to fundamental concepts in the social study of health, wellness and sport. Students examine specific content areas from multiple perspectives, including historical, political, cultural and economic contexts. Students consider the production and transmission of expert knowledge and the connection between evidence and public policy.

## **HWSS 2800 – 2825 Special Topics in Health, Wellness and Sport in Society**

6 credit hours

Course content varies from year to year.

## **HWSS 2826 – 2849 Special Topics in Health, Wellness and Sport in Society**

3 credit hours

Course content varies from year to year.

## **HWSS 3000 Experiential Learning in Health, Wellness and Sport in Society**

3 credit hours

**Prerequisite:** HWSS 2000, 36 additional university credit hours or permission of the instructor

Students enrolled in this experiential learning course will undertake a placement with a community-based organization with an interest in health, wellness or sport. This experience will assist students in understanding how theory and research is used to develop policy, in decision making, and in planning programs and services.

## **HWSS 3800 – 3825 Special Topics in Health, Wellness and Sport in Society**

6 credit hours

Course content varies from year to year.

## **HWSS 3826 – 3849 Special Topics in Health, Wellness and Sport in Society**

3 credit hours

Course content varies from year to year.

## **HWSS 4000 Seminar in Health, Wellness and Sport in Society**

3 credit hours

**Prerequisite:** HWSS 2000, 36 additional university credit hours or permission of the instructor

This seminar is the capstone seminar for the Certificate in Health, Wellness and Sport in Society. Students are provided with an opportunity to integrate their knowledge of the social study of health, wellness and sport, consider perspectives from different disciplines, and consider the connections between research and the broader public. Emphasis will be placed on the activities of government, the role of voluntary groups and agencies, and citizen participation. Students will complete a major research paper and learn advanced research and presentation skills.
