

BACHELOR OF COMMERCE - MAJORS

Select nine credit hours in free electives ^{3,4}	9
Total Credit Hours	27

Notes:

1

In addition to all other requirements for the major, a minimum GPA of 2.2 out of 4.3 is required in the eighteen (18) credit hours in Commerce electives completed in fulfillment of the major.

2

If a course satisfies both a major requirement and a core elective requirement, the number of free electives will increase by three (3) credit hours.

3

Students admitted to the Bachelor of Commerce students prior to 2023-2024 may have different additional elective requirements and should consult with an academic advisor.

4

Additional Elective Requirements: Students pursuing a Bachelor of Commerce degree with a major in General Business Studies must complete nine (9) additional credit hours in free electives over and above the fifteen (15) free elective credit hours required by the degree. These additional free elective credits are necessary to fulfill the 120-credit hour requirement in the Bachelor of Commerce program.

Eligible students can undertake majors in:

- Accounting (<https://smu-ca-public.courseleaf.com/undergraduate/programs/accounting/#programtext>)
- Computing and Information Systems (<https://smu-ca-public.courseleaf.com/undergraduate/programs/computing-information-systems/#programtext>)
- Economics (<https://smu-ca-public.courseleaf.com/undergraduate/programs/economics/#programtext>)
- Entrepreneurship (<https://smu-ca-public.courseleaf.com/undergraduate/programs/entrepreneurship/#programtext>)
- Finance (<https://smu-ca-public.courseleaf.com/undergraduate/programs/finance/#programtext>)
- General Business Studies (see degree requirements below (p. 1))
- Global Business Management (<https://smu-ca-public.courseleaf.com/undergraduate/programs/global-business-management/#programtext>)

- Management (<https://smu-ca-public.courseleaf.com/undergraduate/programs/management/#programtext>)
- Marketing (<https://smu-ca-public.courseleaf.com/undergraduate/programs/marketing/#programtext>)

To complete a major, students must attain a grade point average of 2.2 in the designated required courses.

It is possible for students to double major by fulfilling the requirements of two majors (excluding General Business Studies). However, undertaking a double major may require students to complete more than the standard 120 credit hours required for the degree.

To assist students, suggested course plans that outline the Year 3 and Year 4 course requirements for each major are available through the BComm Academic Success & Advising Centre (<https://www.smu.ca/academics/sobey/sobey-student-bcomm-advising.html>).

General Business Studies Major

The General Business Studies Major is designed to enable students to customize a major. Students may not double major by combining another major in Commerce with a Major in General Business Studies.

In addition to the general requirements to complete a Bachelor of Commerce (<https://smu-ca-public.courseleaf.com/undergraduate/faculties/sobey-school-business/bachelor-commerce/>) degree, students majoring in General Business Studies must complete the requirements listed below. Students should consult an Academic Advisor to help plan how to distribute these requirements throughout their program.
