

# SUSTAINABILITY BUSINESS

The Certificate in Sustainability Business program combines specialized business courses focusing on sustainability with diverse offerings from departments across the university such as Environmental Science, Anthropology, and Social Justice. This diverse curriculum provides students with a holistic education in sustainable business practices, equipping them with the skills necessary for ethical and responsible leadership in the business world. The Certificate in Sustainability Business provides enrolled students with exciting experiential learning activities: network with innovative entrepreneurs and professionals driving sustainability, tackle real-world challenges, and contribute to local and global change through sustainability projects.

Students with an interest in the Certificate in Sustainability Business are encouraged to seek advising early from an Academic Advisor. Typically, consultation with an advisor would take place during or following the completion of Exploring Sustainability (BCOM 1201).

## Admission

- Students currently enrolled in the Bachelor of Commerce program are eligible to apply to the certificate program.
- Students may concurrently complete the Certificate in Sustainability Business with the Bachelor of Commerce program. This certificate may not be completed alone.

## Certificate Certificate in Sustainability Business

To be awarded the Certificate in Sustainability Business, at least nine (9) credit hours must be completed at Saint Mary's University. Credit will not automatically be recognized for university courses completed more than ten (10) years prior to the students return to university study.

A minimum grade point average of at least 2.0 in the certificate program courses is required for graduation with the Certificate.

Students registered in the certificate program must complete eighteen (18) credit hours:

Code	Title	Credit Hours
BCOM 1201	Exploring Sustainability <sup>1</sup>	3
Select fifteen credit hours from clusters 1, 2, 3, or 4 <sup>1,2</sup>		15
<b>Total Credit Hours</b>		<b>18</b>

1

A minimum GPA of a 2.0 out of a 4.3 is required in these courses.

2

Fifteen (15) credit hours must be selected from a minimum of two of the Approved Course Clusters listed below. Students may consult with the Program Director/Coordinator, on an individual basis, for approval of courses not listed and may fulfill the cluster requirement.
